

RECORD OF DECISION – CMOH Order 43-2021

Re: 2021 COVID-19 Response – Alberta Government’s Restrictions Exemption Program

Whereas I, Dr. Deena Hinshaw, Chief Medical Officer of Health (CMOH) have initiated an investigation into the existence of COVID-19 within the Province of Alberta.

Whereas the investigation has confirmed that COVID-19 is present in Alberta and constitutes a public health emergency as a novel or highly infectious agent that poses a significant risk to public health.

Whereas under section 29(2.1) of the *Public Health Act*, I have the authority by order to prohibit a person from attending a location for any period and subject to any conditions that I consider appropriate, where I have determined that the person engaging in that activity could transmit an infectious agent. I also have the authority to take whatever other steps that are, in my opinion, necessary in order to lessen the impact of the public health emergency.

Whereas a state of public health emergency was declared in the province of Alberta on September 15, 2021.

Whereas I have determined it is possible to exempt eligible businesses, entities and events and patrons and attendees at their premises from certain restrictions found in Record of Decision CMOH Order 42-2021 provided that eligible participants screen patrons or attendees for proof of vaccination or a negative COVID-19 test result, I hereby make the following order:
